

Vocabulary Hexagon

- Write the vocabulary word in bold letters. Use a different word for each student. This may be done and displayed before the lesson so students can listen or look for the words while going through the story of Marco in Tale of a Tern.
- After a lesson about Tale of a Tern, give each student a vocabulary word.
- Have the students give the definition.
- The students can then use the word in a sentence related to the context of Tale of a Tern.
- Students should make an illustration to accompany their sentence.
- Students should be encouraged to share their work.
- Students may cut out the hexagons and display them in a tessellation on the wall or bulletin board.
